# Power in the Palm of Your Hand

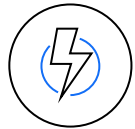

## Handheld Hustle

Keep your business moving with an all-in one mobile device built to thrive in fast-paced hospitality environments.

## Experience Excellence

Fast order entry, quick ticket management, and a unique guest-facing experience help your team deliver top-tier service.

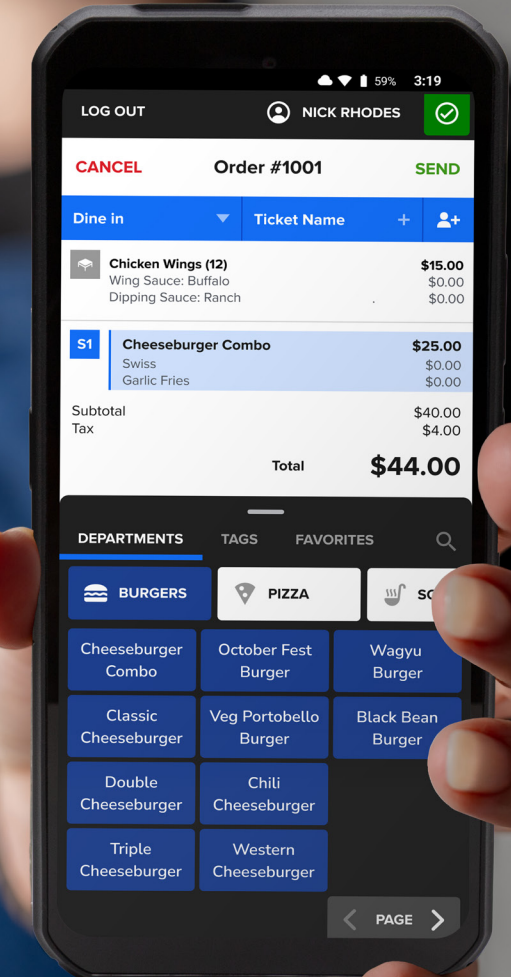

## Speed Up Service

Send orders directly to the kitchen right from the table or bar, plus split checks, add tips, and accept payment tableside.

## Hardware Designed to Move & Built to Perform

With its lightweight design, large display, and extreme durability, it's built to go wherever your business takes you.

And did we mention it comes with a lifetime warranty? Seriously, if it breaks, we'll replace it.
